

USED GRANULATORS FOR SALE !!!

Stock list: 11.09.01

Offers subject to prior sale, prices ex works f.o.t. without tax

Ref.	Make/Type of machine	Description	Suited for	Throat size mm	kW	Price EUR
New Offers						
5995	Moditec G2 S ACP	slow rotating (25 rpm), with 2 precutters, crimper and electric control	sprues, rejects	270x223	1,5	1.400
6003	Wittmann MB 1818	granulator with material discharge box, electric control	sprues, small parts, little bottles	180x150	1,5	1.700
Beside the Press Granulators						
5857	Moretto SML 18/10 C	with suction trough, electric control	sprues, small rejects	180x180	1,1	1.400
6003	Wittmann MB 1818	granulator with material discharge box, electric control	sprues, small parts, little bottles	180x150	1,5	1.700
5879	Alpine ST 112	rotor vertical, direct bagging	sprues, rejects	250x170	2,2	1.200
5572	Cumberland 1722	with roller intake and additional feed opening, electric control, completely refurbished	edges, small parts	220x290	2,2	3.900
5994	Müller SM 102	slow rotating 200 rpm	sprues, rejects, up to 15 kg/h	180x180	2,2	1.400
5951	Rapid 1514 V	slow rotating granulator	sprues, rejects	140x150	2,2	1.500
5967	Zerma GSL 180/120	slow rotating with suction trough, electric control	sprues, rejects	270x180	2,2	1.500
5944	Albis MGK 2121 R-2	Beside the press granulator with suction trough incl. charging level control, electric control	sprues, small parts, approx. 45 kg/h	210x190	3	1.500
5942	ITV 200-130 S	high-built frame, electric control	sprues and runners	240x130	3	1.400
5907	ITV MM 170-130	slow rotating with geared motor, electric control	sprues and runners	210x130	3	1.200
5864	Piovan R 15/15	granulator slow rotating 198 rpm, sound proof hopper, electric control	sprues, rejects	160x160	3	1.300
5902	ITV MM 200-130	slow rotating with geared motor, electric control	sprues and runners	210x130	4	1.200
5684	Piovan R 15/25	slow rotating, suitable conveyor belt as option	sprues, small parts, bottles	250x150	4	1.400
5719	Möser KG 16/25-4	movable, with suction trough	small parts	250x160	5	1.600
Screenless Granulators						
5935	Moditec Typ 2	extremely slow rotating 25 rpm, screenless, with 2 precutters and crimper, electric control, suction trough	sprues, small pieces	275x230	0,75	1.600
5995	Moditec G2 S ACP	slow rotating (25 rpm), with 2 precutters, crimper and electric control	sprues, rejects	270x223	1,5	1.400
5981	Moditec G3 ACP	slow rotating approx. 25 rpm, 3xprecutters and crimper, electric control	sprues, small rejects, especially for technical plastics	320x250	2,2	1.600
Under the Press Granulators						
5828	Getecha GRS 126-A1.4	feeding screw 0,35 kW, suction trough, electric control	sprues, small parts	250x200	1,1	1.100
5826	CMB BG 18	with handling hopper, electric control	sprues, small parts	225x180	1,5	1.200
5880	Getecha GRS 182 K-A2	low feeding high, suction trough, auger drive 0,75 kW	sprues, reject	250x450	1,5	1.500

Ref.	Make/Type of machine	Description	Suited for	Throat size mm	kW	Price EUR
5891	Colortronic M 200 L	Beside the press granulator with integrated feeding spiral, suction trough, electric control	sprues, rejects	200x200	2,2	1.400
5856	Getecha GRS 182-A2.40	with suction trough, electric control	sprues, rejects	200x200	2,2	1.400
Cutting Mills						
5742	Alpine RO 16/18	high-built frame, electrical control	small parts	200x200	4	1.200
5976	Dreher S 26/26 GFS	with suction blower and electric control	small and medium sized parts	280x260	5,5	3.400
5743	Rapid GK 75	with suction trough, electric control, and spare knives	medium sized parts, bottles	300x230	5,5	2.900
5886	Alpine A 32/21	cutting mill with sound-proof cabinet and vibrating conveyor for material feeding, electric control	medium sized parts	440x400	7,5	4.200
5952	Alpine RO 32/40	sturdy granulator	size reduction of thicker parts	405x290	7,5	3.100
5894	Rapid KG 5630	Granulator, direct bagging, electric control, some spare knives	punching scrap, sprues, hollows	560x180	7,5	2.300
5834	Dreher S 26/41	sound-proof, suction device, e-control	pipes, profiles	410x260	11	2.900
5892	Rapid G 3026 K-KUP	sound proof, suction device, electric control	bottles, thin-walled parts	300x300	11	4.900
9122	Dreher S 34/41 GFS	sturdy designed cutting mill with suction blower and electric control	all purpose granulator	410x340	18,5	12.900
5941	Rapid 45-35 KUP/KB	sound proof, suction blower, electric control	tubes and profiles	450x350	18,5	7.900
9128	Dreher S 34/52	granulator with upside screen, electric control	all-round grinder	520x340	22	8.900
9103	Condux CS 500/1000	granulator with hopper	hollow bodies, thin-walled parts	1000x500	37	17.400
9107	Neue Herbold LP 450/300 F9	Grinder for profiles, horizontal feeding and additional hopper for short pieces, incl. material fan blower and electric control, some spare screens	long profiles and short pieces up to 400 mm length	600x580	37	19.900
5744	Dreher S 42/65 GF	including conveyor belt, suction blower, cyclone, electric control	universal grinder	650x420	45	18.900
9130	Zerma GSE 500/700-3-2	granulator with suction device for big-bag filling and electric control	all kind of thin-walled plastic scrap, injection and blow moulding waste	700x500	45	25.900
Single-Shaft Shredders						
3031	DHB DH 600-K	New single shaft shredder with special rotor and hydraulic pusher, electric control, new machine	pre-shredding of all kinds of plastic, cables, wood etc.	785x600	18,5	19.900
3035	DHB DH 800-K	single shaft shredder with special rotor and hydraulic pusher, electric control, new machine	shredding of plastic scrap, copper cables and wood	1300x800	30	37.800
9124	Weima WLK 4 S + NZ 3	Complete Weima crusher line with single-shaft shredder, cutting mill, bagging device, sound proof cabinet and electrical control	Crushing of all kinds of plastic material	600x900	37	24.900
3029	S&P ES 1200	single shaft shredder, hydraulic ram 5,6 kW	pre-shredding of plastic parts	1470x1920	55	49.900
9112	Weima WLK 12	single shaft shredder, approx. 1850 hours, incl. electric control cabinet	pre-shredding	1920x1800	75	68.900
9123	Weima WLK 18 SUPER JUMBO	incl. electrical control, hydraulic hopper opening device	pre-shredding of all kind of plastic materials	1920x1800	75	75.000
Two-Shaft Shredders						
9105	MEWA UC 35	two-shaft shredder	pre-shredding	350x500	5,5	14.500
9106	Moco AZ 7/S	two-shaft shredder	pre-shredding	400x500	7,5	15.500
Fines-Separation						
5954	Getecha Entstaubungsanlage GE-15-A 3.35	separator of fines	separation of fines		0,14	1.600
5747	Alpine MSE 031-530	suction and dust separation device with blower	suction device with separation of fines		3	1.900

Ref.	Make/Type of machine	Description	Suited for	Throat size mm	kW	Price EUR
Metal-Separation						
5948	Pulsotronic MESEP 50	all metal-separator 40 mm Ø with support	metal separating from crushed materials, max. sensitivity 1,0 mm	Ø 40		700
Various						
5885	Jöst A 16/8	vibrating conveyor 2400x200x150 mm (LXWXH), movable, manually operated, tipping device for loading, electric control	dosed charging of granulators			900
5656	Sima Schneckenförderer WS 30/40	screw conveyor for washing, stainless steel, conveying length 2000 mm	for washing and conveying of film flakes or pellets	400x300	3	1.500
5836	RVM S 06/12-30	material fan blower, pipe diameter 100 mm	suction device for granulators		5,5	1.200
Recycling Lines						
9100	Sorema PE/PP Recyclinganlage	Recycling line for PE/PP films, capacity 1000 kg/h	PE/PP film recycling, capacity 1000 kg/h			860.000
5949	Alpine/JBF JBF 28/35 - RO 28/40	complete unit with two-shaft-shredder JBF followed by Alpine granulator	size reduction of hollow-bodies, cans, buckets etc.	405x290	14	7.900
3038	S&P BE-PET 300	PET-bottles recycling plant, input 300 kg/h - Made in Germany!	Crushing, washing and drying of PET-bottles		100	229.900

IF YOU CANNOT FIND WHAT YOU ARE LOOKING FOR - PLEASE CONTACT US!

Moreover we always have on stock:

approx. 100 injection-moulding machines, approx. 200 forms and peripheral devices, more than 1000t plastic materials: virgin in original packing - repelletised - regrind
